**Falsification of the Fair Chase Affidavit is grounds for dismissal from The Wisconsin Buck & Bear Club. Falsification of this Affidavit or conviction of a game violation will cause the entry to be rejected, no further entries accepted and all past entries to be removed from the Records Program. In addition to the requirements of this Affidavit, by submitting this entry the applicant agrees that the sole decision of acceptance of this entry belongs to the Board of Directors and its discretionary decision is final.**

**All photographs submitted with an entry become property of the WBBC and can be used by the WBBC or its partners in any form on social media, magazines or record books. All scoring decisions made by Pope & Young or Boone & Crockett will become final and scores will be adjusted to reflect that change in our Records Program.**
